Spring Cleaning

Clean dryer lint traps. This might be the time of year you pull the dryer out and check the backside.

Clean off the outdoor furniture. Check the umbrellas for damage.

Clean out closets and drawers. Spring is a great time to evaluate your clothing. Do you want it? Can you still wear it?

Once the clothes are cleaned out - reorganize the closets and dressers. Put things where you can find them.

Kitchen/bathroom cabinets. This is a great time to empty those cabinet. Clean the shelves and drawers. Trash old meds and product.

Do a good cleaning on base boards and walls. Checking wall paper and paint for needed repairs.

Grout! Check the grout in your bathrooms and kitchen.

Check and oil squeaky door hinges.

Test your smoke detectors!

The Great Spring Clean Up and Out!

Spring is a great time to clean up and out! Closets, pantries, the garage, storage buildings, the attic - even the car! It's also a great time to knock out those little fix-it jobs you've ignored all Winter.

- Clean OUT the refrigerator and freezer. Spring is a great time to find out what that mystery pack in the freezer is. Remember to clean the grill and coil. Pull the frig out from the wall and clean out the back side.
- Time for floors! Get those carpets cleaned - wash away the staleness of Winter. You know those area rugs and loose carpets need cleaning as well!
- Clean window treatments, dust and clean blinds and shutters. It's a great time to get the dust and allergens out and gone...before you open the windows and have dust blowing all over the house.
- Remove unwanted items, reorganize and clean the attic, the garage, and any storage buildings. Sell or donate items you no longer need or want.
- Power wash exterior walls, porch floors, deck, patio, driveway and sidewalks. Repair and reseal surfaces as needed. Check the fascia for damage and needed repairs.
- Clean out gutters - yes, again. Get any debris from Winter storms and spring tree bloomings.
- Do you have painted surfaces? Painted wood, in particular needs to be checked and kept weather tight.
